REBOOT

CHIVASSO × DESIGNSCHNEIDER = CASUAL SMART  
THE LIMITED EDITION

This year's colour update of our most casual all-rounder HOT MADISON REBOOT extends the wide range of colours to now 200 dreamlike nuances. We have taken this as an opportunity to create, together with the internationally active product designer Michael Schneider, a new outfit in a limited edition for the dining chair Cara with the aim of expressing

our common passion for casual-smart design with high functionality.

Covered with Hot Madison on the inside and combined with the floral print fabric Curious Garden on the outside, Cara now comes in the on-trend colour combination Neomint und Coral. As a special icing on the cake, the unusual model has coral-coloured legs.

Let yourself be inspired by a fresh combi-

nation of a unique look and impressive colours that is just waiting to become your favourite place in your ambience. Let's go!
