

CHALET STYLE LIVING

An alpine character with international flair

Inspired by the authenticity of natural materials, **CHALET STYLE LIVING** by JAB ANSTOETZ Fabrics focuses on an international, alpine look that works just as well in a private setting as it does in a ski or wellness resort. With designs combining artisanship and modern, homely aesthetics, the new collection offers solutions that cater for the universal need for comfort – whether in St. Moritz, Toronto or London.

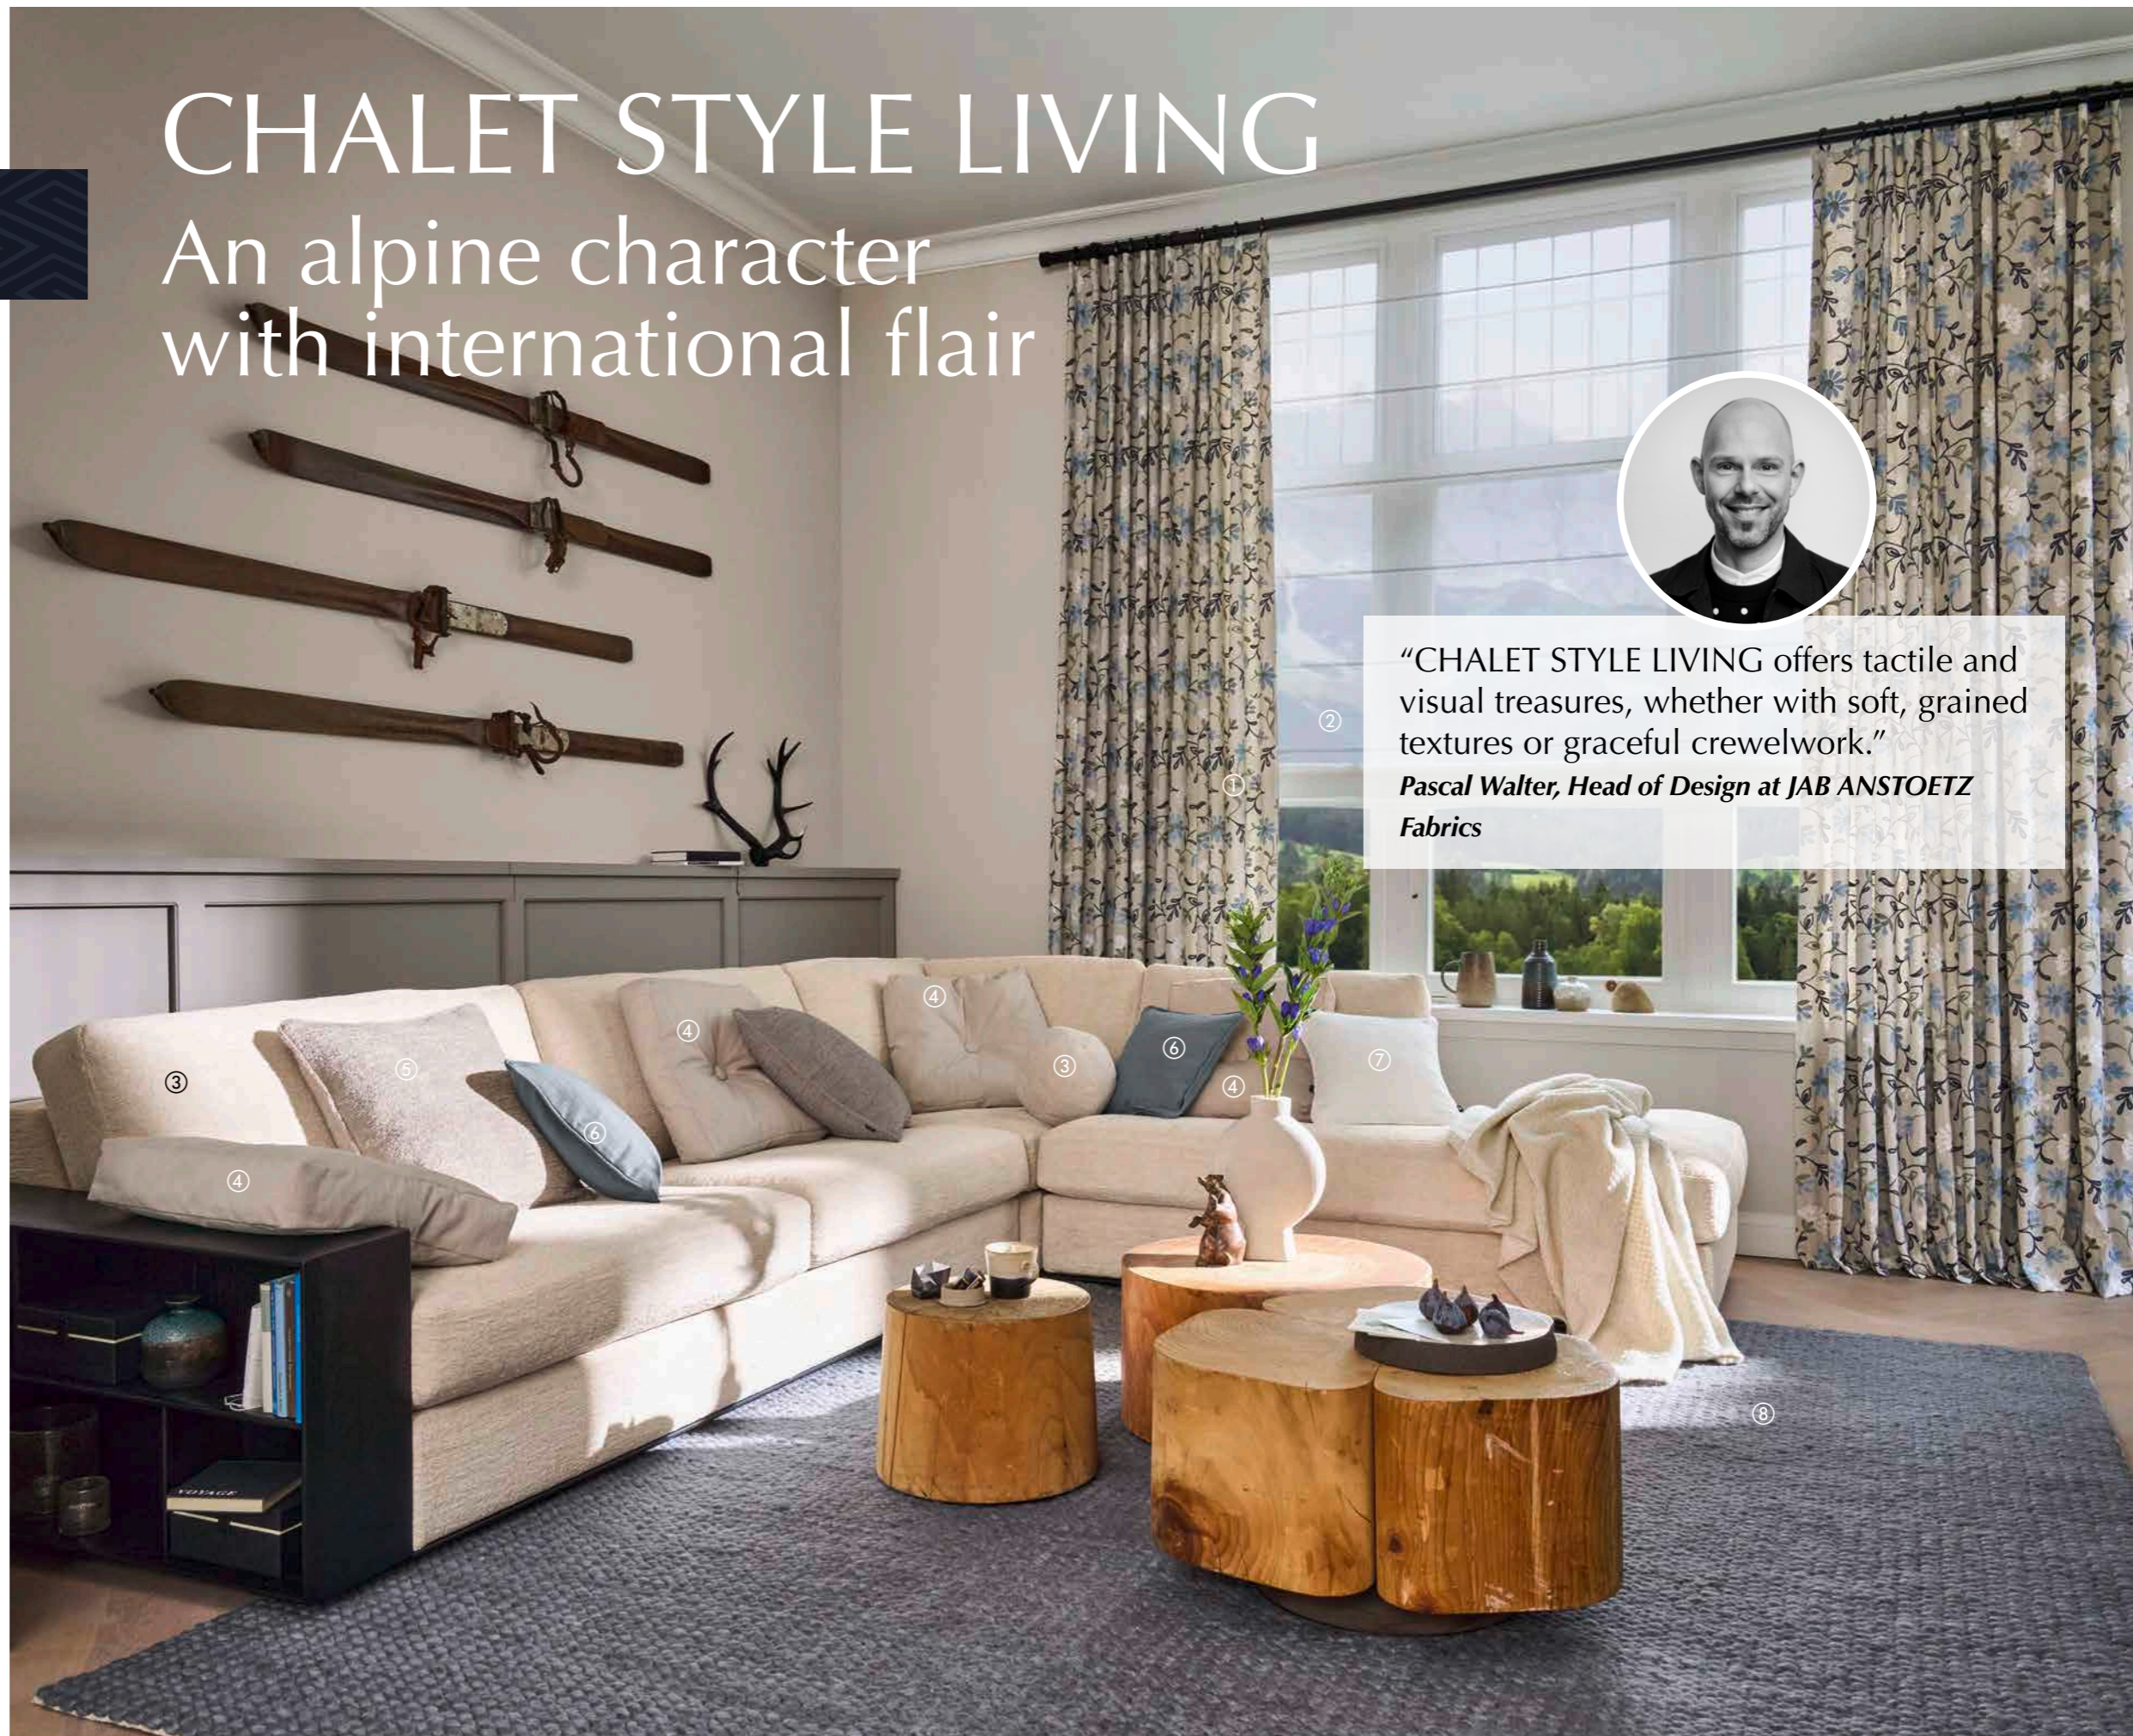

Light and muted tones bring calmness to any room, and graceful designs in warm, deep tones add colourful accents. The upholstery and decoration fabrics in this collection are deliberately matt and textured. Their feel is soft, cosy or authentically woolly. Fabrics containing natural materials are joined by easy-care fabrics with dry or velvety surfaces that perfectly imitate the natural materials.

One of the highlights is **CHAMONIX**. The fabric is embellished with three-dimensional crewel embroidery on a fine ground. The floral motif in clear colours presents a very contemporary interpretation of classic cashmere embroidery. The way the embroidery threads are worked testifies to the highest level of artisanship.

CHATEL fascinates with its coarse wool knit look, not only as a decoration fabric, but also as a cosy plaid – perfect for homely retreats.

HERO is a versatile all-rounder with an attractive linen velvet look. Here a voluminous structure in a warm colour palette is combined with a stain-resistant finish, ensuring comfort is guaranteed.

The semi-transparent fabric **GIORGIO** combines the visual linearity of twill weave with reduced colourfulness and a surprisingly woolly feel. The distinctive plain fabric **DANILO**, on the other hand, fascinates with its subtle light-dark contrast; here, too, the feel is soft and the colour palette finely tuned. **AQUILA** emphasises the natural, handcrafted character of the collection: the yarns in the rustic leno fabric are arranged in a most casual manner. Finally, **VARENNA** adds modern accents and completes **CHALET STYLE LIVING** with a universally applicable block stripe.

“CHALET STYLE LIVING offers tactile and visual treasures, whether with soft, grained textures or graceful crewelwork.”
